### Fearless

by Fiona Higgins (Goodreads Author)

Talking Books's review

Oct 23, 2016

Read in October, 2016

The friendships and camaraderie portrayed in the "Fearless" group were at times, uplifting. During the course of the read, the story depicted some intense moments and traumatic instances for each of its characters. The journey the characters took and the strenuous and disturbing events faced by each of the characters garnered emotional sentiments in scenes that were written well by the author. Review copy received from Allen & Unwin Australia for an honest rating
